

Negative Quotes About Bitcoin & Cryptocurrency

Who said it, what they do, what they said, the original English phrase, Russian translation, and a clickable source.

1. Warren Buffett

Chairman and CEO of Berkshire Hathaway; one of the world's best-known value investors.

WHAT THEY SAID

Buffett described Bitcoin in exceptionally harsh terms and has repeatedly argued that cryptocurrencies are non-productive speculative assets.

ORIGINAL

“Bitcoin is probably rat poison squared.”

ПЕРЕВОД

«Биткоин - это, вероятно, крысиный яд в квадрате».

3. Bill Gates

Co-founder of Microsoft; technology entrepreneur and philanthropist.

WHAT THEY SAID

Gates said Bitcoin's price dynamics resembled the 'greater fool theory' and said he would bet against it if doing so were easy.

ORIGINAL

“It's kind of a pure 'greater fool theory' type of investment.”

ПЕРЕВОД

«Это своего рода инвестиция, основанная на чистой “теории большего дурака”».

4. Jerome Powell

Chair of the U.S. Federal Reserve.

WHAT THEY SAID

Powell characterized cryptocurrencies as speculative assets and warned that they are risky and not backed by anything.

ORIGINAL

"I do think they are risky, they're not backed by anything."

ПЕРЕВОД

«Я действительно считаю их рискованными - они ничем не обеспечены».

5. Janet Yellen

Former Chair of the U.S. Federal Reserve and former U.S. Treasury Secretary.

WHAT THEY SAID

Yellen warned that Bitcoin is highly speculative, extremely volatile, and inefficient as a transaction mechanism.

ORIGINAL

"It is a highly speculative asset and you know I think people should be aware it can be extremely volatile."

ПЕРЕВОД

«Это крайне спекулятивный актив, и, думаю, людям следует понимать, что он может быть чрезвычайно волатильным».

6. Christine Lagarde

President of the European Central Bank; former Managing Director of the IMF.

WHAT THEY SAID

Lagarde called Bitcoin a highly speculative asset and linked it to concerns about money laundering.

ORIGINAL

"(Bitcoin) is a highly speculative asset, which has conducted some funny business and some interesting and totally reprehensible money laundering activity."

ПЕРЕВОД

«Биткоин - крайне спекулятивный актив, который использовался в некоторых сомнительных операциях и в интересной и совершенно неприемлемой деятельности по отмыванию денег».

8. George Soros

Investor, hedge-fund manager and founder of Soros Fund Management.

WHAT THEY SAID

At the World Economic Forum in Davos in 2018, Soros described cryptocurrency as a typical bubble and argued that Bitcoin was not a stable currency.

ORIGINAL

"Cryptocurrency is a misnomer and is a typical bubble, which is always based on some kind of misunderstanding."

ПЕРЕВОД

«Криптовалюта - это неправильное название и типичный пузырь, который всегда основан на каком-то недопонимании».
